Ladies and gentlemen,

I would like to greet you to Vojvodina from the position of the President of Olomouc Region.

Olomouc Region has a warm relation to Vojvodina and we have been cooperating intensively since 2003, when the agreement about partnership between our regions was officially signed.

I am very happy that Olomouc Region is represented at Subotica Open 2011 by dancing club Quick Olomouc and I hope that our dancers will achieve good results at the competition.

I would like to wish all competitors great success in their dancing careers, and I hope that you will come to visit our region in the future.

I wish all the best to Vojvodina and many other successful projects which we will share in the future.

Martin Tesařík, President of Olomouc Region
